**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want more competition because my choice of broadband provider is limited even in a big market. I am forced to bundle services I don't want or need in order to make my broadband affordable. This is not an attribute of a market with healthy competition. As an educator and media professional, I would love to see more players in this space that can bring affordable broadband to close access and opportunity gaps.

Thank you,
